

WoodWorks Sizer for Global LVL Inc

Global Sizer Version 1.0 (June 2011)

This version contains the most up-to-date Global material specifications as well as modifications and fixes to the WoodWorks Sizer program.

This software requires a key code the first time you run the program. A Software ID is displayed and a key code is requested. Key codes will only be given to authorized users. Those wishing to simply evaluate the program may type "DEMO" instead of a key code.

Download Instructions

- 1) Go to Global's web site at www.lvlglobal.com under section **Software**.
- 2) Scroll until you find the **WoodWorks Software**.
- 3) Click on the option **Software demo download for Global Sizer**.
- 4) Select the link Global Sizer 1.0 USA or Global Sizer 1.0 Cdn. , as appropriate.
- 5) Perform the **setup** for the demonstration of Sizer immediately

Or, save the download/setup file to your hard drive. If you save the file, you can open it later and run the Sizer setup. This is done by opening the file in Windows Explorer or by the "Run" command on the Start Menu.

- 6) Get a **key code** from Global LVL Inc by filling and sending the **software request form** (available next page) to Global at info@lvlglobal.com or any of the following:
